From the Right Stuf International, the company that brought you HIS AND HER CIRCUMSTANCES comes a hilarious new series that parodies the entire Anime/Manga industry! With direction by Norihiko Sudo (Assistant Director – CASTLE IN THE SKY) and scripts by Hiroshi Yamaguchi (NADESICO / GATEKEEPERS 21)!

Destined for destruction or distinction? The culture fest is here, and Taishi's in charge! Under his gifted leadership, they'll have the best student-run café ever! Though somehow he seems to have managed to once again leave all the hard work up to Kazuki...

Kazuki, however, is still dwelling on Comic Party. And now, with graduation fast approaching, he's got his future to consider, too. Everyone else seems to already have their entire lives planned out except him. What direction will his life take? Is it time to leave comics behind?

Meanwhile, Taishi's dreams of destined greatness are dwindling fast – there's only one week left until the big winter convention. If they don't make a quick comeback, The Two Brothers may be gone for good! Come remember what it means to be a fan in this final volume of Comic Party!

Join the Comic Party, and follow Kazuki as his journey takes him through the steps to becoming a master fan comic author - while spoofing everything along the way! From GUNDAM to EVANGELION, from INITIAL D to WEDDING PEACH; if it's part of the anime world, it's all fair game!

Contains episodes 10-13.
